Deal with the Distractions!

Dear Network Marketer,

I’m writing this newsletter on March 24. I want you to think back 83 days ago to December 31, New Year’s Eve.

If you are like most network marketers, on December 31 you made goals and resolutions for the new year.

You promised yourself you’d implement a 90-day blitz.

You promised yourself you’d work hard and productive.

You promised yourself you’d “run fast.”

Here’s three questions for you:

- 1) Did you implement a 90-day blitz?
- 2) Have you been working hard and productive over the past 83 days?
- 3) Have you been “running fast” to build your business?

Deal with the Distractions!

If you can answer “yes” to these three questions, then my hat is off to you.

But if you answered “no” to any of these questions, then the bottom line is that you allowed distractions to derail your plans.

All network marketers will be faced with distractions. Some of those distractions will be big, but most will be small. Sadly, many network marketers allow the small distractions to become the reason why they stop working their business.

As soon as you’re done reading this, say aloud, “I will be faced with distractions. I know this; I accept this. It’s called ‘life’. I will deal with those distractions immediately, and then I will return to diligently working my business.”

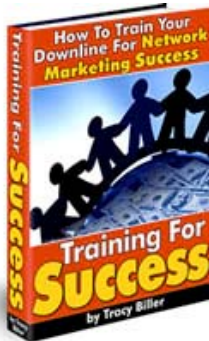

There’s 282 days remaining in this year. Make each of them a good one.

Sincerely,

Tracy Biller
