Network Marketing Myths – Part #1

by Tracy Biller – Network Marketing’s #1 Trainer

Dear Network Marketer,

Several weeks ago I conducted a training call titled **“The Truth About Biz-Opp Leads.”**

I then recorded the presentation in digital format, and the presentation is now available for downloading as an MP3 for your listening pleasure. (Click [HERE](#) to hear or download the presentation.)

Since then I’ve received nearly 700 emails from people raving about this audio presentation. Most of the people comment on the many “Myths” that I talk about, and have requested I put those myths in writing.

That’s exactly what I’m doing in this newsletter. This is Part #1. There will be many parts to follow!

MYTH: It takes 3-5 years to succeed in network marketing.

TRUTH: No, it does not! It takes much less time if you know what you are doing, and work hard.

The “it takes 3 to 5 years to succeed in network marketing” myth is total B.S.

It is nothing more than a cliché that is used by the top earners as a lure to keep failing network marketers in their downline from quitting.

The bottom line is that you can succeed in network marketing in far less time if you know what you’re doing, and you work hard. This is made evident by the many heavy hitters who quit one company, join another company, and quickly build a large downline in that new company. They know what they’re doing, they’re recruiting other network marketers, they’re exhibiting dynamic leadership, they’re effective communicators, etc., everything I teach on the Ultimate Success CDs.

\$8,400 a month within six months

I’m a firm believer that a network marketer can be earning a minimum of \$8,400 a month within six months, which is equal to an income of \$100,000 annually.

For most people, a six-figure annual income is truly life-changing income.

I discuss this in detail in my free report titled **“The 10 Factors For Guaranteed Network Marketing Success”** which is available as an audio and as a complete transcript. Click [HERE](#) to access this free report.

Keep a lookout for future newsletters in which I reveal other “myths” from the network marketing industry!

Sincerely,

Tracy Biller
