Dear Network Marketer,

Every now and then someone will ask, “Hey Tracy, when you coming out with a new Ultimate Success CD?”

My reply to them is always the same, “I don’t know. Tell me what I should add to the eight I’ve already recorded?”

That puts a stop to their foolish suggestion.

You see, the problem with many network marketers is that they are perpetual “seekers”.

Instead of getting to work doing what works, they're always wasting time seeking another "new secret", or "new tactic", or "new method".

What these seekers don't understand is that there "IS NO NEW" in network marketing except for the communication tools we use.

I say it another way . . . The only thing that has changed over the 70+ years of network marketing is the communication tools that we use.

Other than that, everything is the same!

Contrary to what the "seekers" are trying to discover, the fact is that there is no new strategy.

There is no new secret.

There is no new method.

There is no new recruiting tactic.

Etc.

Etc.

Etc.

So . . . knowing all of this, I recorded the Ultimate Success CDs.

The Ultimate Success CDs teach "The Big 7".

There's only the Big 7. That's it.

There was the Big 7 seventy years ago, there was the Big 7 sixty years ago, there was the Big 7 fifty years ago, forty years ago, thirty years ago, twenty years ago, ten years ago, five years ago, last year, and this year.

There will be the Big 7 next year, five years from now, ten years from now, and so on.

If you master the Big 7, you'll get rich in network marketing.

THE BIG 7

#1: You must hit your target market. It's the fastest and surest way to build a large downline quickly (as taught on the Momentum CD).

#2: You must design and implement your own 90-day blitz business plan (as taught on the 90-Day Blitz CD).

#3: You must be an effective leader to your downline (as taught on the Leadership CD).

#4: You must speak well and communicate effectively (as taught on the Speak CD).

#5: You and your downline must produce large amounts of sales volume on an ongoing basis (as taught on the Sales Volume CD).

#6: You must be self-motivated (as taught on the Motivation CD).

#7: Your sales and marketing tools must be persuasive, and you must communicate persuasively (as taught on the Persuasion CD).

And by the way . . . The Ultimate Success CDs have been greatly enhanced by the advanced training I did during the "Super Training Calls". All seventy-seven (77) Super Training Calls are on one CD. Over

forty hours of advanced training. Simply amazing! Nothing like it in the history of network marketing.

Listen to the Ultimate Success CDs and the Super Training Calls CD. Apply what you learn.

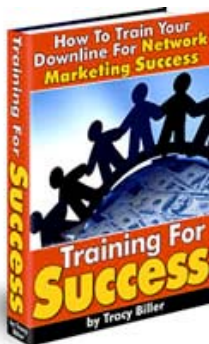

Simply master the Big 7 and you'll laugh all the way to the bank!

Sincerely,

Tracy Biller
