By Tracy Biller – producer of the Ultimate Success CDs

Each day we receive many emails praising the Ultimate Success CDs. We also get many emails praising the free training – newsletters, audios, ebooks, etc. – that are on this web site.

Most of the emails are simple in nature, such as:

“Great stuff!”

“Love the training!”

“Best training ever!”

“Amazing info!”

The strategies work. They always have. They always will.

But every now and then, a distributor will take the time to actually detail the success they're having, and they'll get into the specifics of what they are accomplishing, and what their downline is accomplishing.

Such is the email I got from Brandon Coffey, a network marketer who lives in Lexington, Kentucky. Brandon's a customer of mine, having purchased the set of Ultimate Success CDs and a leads package a little over a month ago.

By the way . . . Lexington, Kentucky, where Brandon lives, is known as "Thoroughbred City" and the "Horse Capital of the World." If you like horses, then spending some time in Lexington is an absolute must. And while you're there be sure to visit the famous Kentucky Horse Park. It's awesome! We've been there twice and love it! Here's the web site: www.kyhorsepark.com

Back to Brandon . . . the email that Brandon sent me contains some of the results that he and his downline are achieving. To say they're doing well is an understatement.

Here's the exact text of Brandon's email:

From: Brandon Coffey
Date: September 15, 2011 2:03:45 PM EDT
To: Tracy Biller
Subject: My results.

Tracy,

Thanks for making your Ultimate Success CD's available to anyone who has a desire to succeed and is willing to do what it takes!

I had been in network marketing for 18 months. It's a wonderful industry, but I felt that I had hit a wall. I had worn out my warm market out, just like you.

And then a little over a month ago I got your Ultimate Success CDs and a leads package. Since implementing your strategies into my business, one of the people I sponsored, had three signups in the past week. One of the people she signed up is the top earner in her company and had about 75% of the company's entire downline! Another person she signed up made more than \$5,000 a month in another company. The third person she signed up was also a very successful network marketer.

Thank you for your direct, no-nonsense approach to training and this business. I am sharing your website with my entire team and having them purchase the CDs and a list.

The strategies you teach are duplicable than anything I have done in the past 18 months. I now feel confident that I can help everyone on my team if they are willing to be helped.

Sincerely,

Brandon Coffey
Lexington, KY

I've had several phone conversations with Brandon. He's a bright fellow, a go-getter, and very teachable. I predict he'll do very well in this industry.

What he's experiencing is not a surprise to me, as it's similar to what I experienced when I built my big downlines. The strategy of recruiting from within the industry, using persuasive sales tools, etc., is used by virtually all of the industry's top earners.

The strategies work. They always have. And they always will.
